We moved last year and sadly had to leave our Dynasty tub behind. As unfortunate as this was, we knew we wanted another Dynasty tub, so we used the opportunity to upgrade to a six-person tub to be able to entertain guests more comfortably. Knowing that our tub will be covered by Dynasty's 20- year warranty made the decision all that much easier. I know my family and I will enjoy this spa for many years to come.

OPTIONAL FEATURES (Illumination Varies)

IN.TOUCH2® WI-FI REMOTE

Take full control of your spa experience right from your iOS or Android smartphone or tablet with the Intouch.2® app. With this innovative app, you can easily access predefined spa experiences or tailor your own for a truly personalized soak. Enjoy the convenience of managing every function of your spa with just a few taps, making relaxation more accessible than ever.

IN.MIX LED LIGHTING CONTROLS

Transform your spa experience with stunning underwater light shows that do so much more than enhance your soak—they redefine your entire environment. Imagine effortlessly shifting the atmosphere from lively parties to intimate, romantic evenings, all while benefiting from enhanced safety after dark. The innovative in.Mix adjustable and independent zone LED lighting system features 113 points of mesmerizing light, illuminating everything from the footwell to the spa lip and controls. Enjoy the enchanting display of water dancing through a vibrant spectrum of colors, adding an unforgettable charm to every moment you spend in your spa.

IN.STREAM 2 AUDIO SYSTEM Not available on the Bimini, Treasure Cay or Sunset Cove

Elevate your spa experience with the incredible sound of your favorite music streamed right from the comfort of your water sanctuary! The in.stream 2 audio station is a compact, rugged, and splash-proof all-in-one outdoor audio system that delivers outstanding sound quality using advanced Class D amplifier technology. It's designed to enhance your backyard audio experience effortlessly. With easy connectivity, you can control your audio player or smartphone directly from your spa keypad, allowing you to enjoy your relaxing soak without missing a beat.
