

NorthStar 5' x 6'

OUTDOOR SAUNA

finnleo
PURE SAUNA

Slightly increase the footprint and the sauna bench space for added comfort; if your outdoor space allows, we highly recommend the size upgrade to the NorthStar 56 Outdoor (from the 4'x'6' model). More room to enjoy a deep sweat is never a bad thing! Bring the traditional sauna outdoor experience home and **enjoy the same way Finn's have been for centuries.**

A. SaunaLogic2 CONTROL SYSTEM

Proprietary feature-rich control with mobile app to control the sauna from your mobile device from virtually anywhere.

B. AMBIENT LED LIGHTING

Peaceful in-backrest LED lighting softly illuminates the sauna, with the option to use 6 chromotherapy color light options.

C. 6.0 KW DESIGNER-SL2

The reliable, Finnish-made 6.0 kW Designer-SL2 heater is perfectly sized to heat your sauna and power your deep sweat, rest, relaxation, and healing.

D. BRONZE-TINTED DOOR & WINDOWS

The bronze-tinted all-glass door creates contemplative sightlines in and out, creating a feeling of space within the sauna and elegant beauty from outside.

E. AUTHENTIC FINNISH EXPERIENCE

Nordic White Spruce, the traditional wood species of Finland saunas, welcomes you in and envelopes you in natural beauty and fragrance while you sauna.

F. INCLUDED FLOORING & ROOFING

Integral waterproof floor included for walkway safety, sauna support, and underlying surface protection. Metal roof kit included to finish-off the sauna exterior and protect all sauna materials from environmental influences.

G. OPTIONAL ADD-ONS

Add a soundbar to incorporate Bluetooth® audio into your sauna, powered by the SaunaLogic2 control or mobile app.
